## Collaborate with Your Colleagues Online

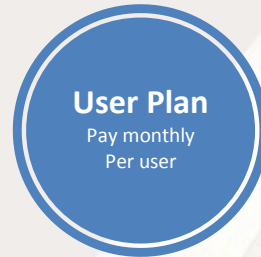

Enjoy all the benefits of collaborating online from scheduling meetings, to sharing your calendar and documents online using the popular Microsoft Outlook® interface.

## Access Your E-mail and Documents from Anywhere

Whether you are on the road, at home or away on business, you will have access to your documents and e-mails. All you need is access to the Internet and you can work from anywhere.

## Focus on Your Business and not Technology

Technology has become extremely complex and costly to manage. With Hosted Exchange, you can focus on your business and not worry about technology.

Full Blackberry support upgrade available

Services for you	Benefits to you
