Hospice Wellington

invite you to listen to a discussion about
Compassionate, Palliative and Hospice Care

Friday, September 17, 2010

Italian Canadian Club

135 Ferguson St., Guelph, ON

9:00am-12noon ~ Guest Speakers from local organizations will present their views and audience members can offer comments

1:00pm-3:30pm ~ Expert Panelists will discuss issues and concerns
Senator Sharon Carstairs (who tabled the report in the Senate "Raising the Bar")
will be participating in our discussions

Illness and end of life issues will dominate many discussions in health circles as our demographics continue to change. Genuine efforts must be undertaken to create a healthcare system that includes improved and meaningful compassionate, palliative and hospice care. These efforts include the exchange of ideas and information among those dealing with these issues on a daily basis.

Pre-registration is required. Please contact the office of
